

SCISAA Tie-Breaker Procedures

Region Tie-Breaker Procedure:

1. In a two-way tie, compare Head-to-Head. If one team has won both games, then they shall receive the higher seed.
If they split, then a play-off game will be played.
2. In case of a three-way or more tie, a point system will be used. A team will receive 10 points for a region victory plus 1 point per margin of victory up to 5.
(Exception: In basketball, in the case of a three-way tie, a drawing will be held for seeding purposes only and an open tournament will be played).
3. Note: Football tie-breakers will be broken as outlined in the football section.

Note:

Each region has the authority to develop a tie-breaker procedure. If none is in place, then the SCISA Tie-Breaker Procedure will be used.
